Dedication

Xavier Francisco Mena, chairman of the art department, spreads understanding and a bit of humor wherever he goes. Those who have known him, students and adults, will remember his great talents in art and sports as well as the tremendous interest he shows in life.

Mr. Mena attended San Diego High School where he was very active on varsity football and track teams and held the office of Varsity Club president. After graduating from San Diego High School in 1945 he enrolled at U.C.L.A. the following school term on a football scholarship. While there he played on the 1946 Rose Bowl team. Keeping high academic standards also, Mr. Mena enjoyed memberships in Kappa Alpha fraternity and Delta Epsilon Honor Society. After graduating from college he embarked upon a sports career as a most outstanding player of the American All-Star rugby team which performed in Australia, New Zealand, France, Spain, Switzerland, and England.

His teaching career began at Bret Harte Junior High School as an instructor of his first love, art. Then he went to California High School where he took on a dual role as coach and art instructor. In the fall of 1957 Mr. Mena came to Kearny, again performing a double job as football line coach and art instructor. For the last two years he has admirably held the position of Art Department Chairman. Probably the role for which he is most loved and respected is that of Annual Staff Advisor.

Mr. Mena now serves as a member of the U.C.L.A. scholarship committee and also attends Cal-Western University weekly where he is completing his degree in the humanities.

The task of keeping this dedication secret was one of constant tension and pleasant expectation.

It is with overwhelming pride that we dedicate the 1962 KOMET to you, Xavier Francisco Mena. May the administration and Student Body of Stephen Watts Kearny High School always count you among its greatest contributors to high education standards.

The '62 KOMET staff worked diligently, recording the year with pictures. Layouts were drawn, hundreds of photographs were taken, write-ups and I.D.s were written, and the cover was designed. The business staff sold sponsorships and promoted advanced sales for the yearbook.

As the deadline drew nearer, the Annual Staff room became a whirlwind of activity—last-minute pictures had to be scheduled, late write-ups were finished, and every page was re-checked. Finally the annual was sent to the printers. Guided by Mr. Xavier Mena, our sponsor, and Richard Elliott, Editor-in-Chief, we have done all we can to make the '62 KOMET the best annual possible.

KHS News

Volume 22

San Diego, California, Wednesday, November 22, 1961

Thanks to the efficiency and dedication of the K.H.S. News Staff, the Komets have been well informed on the activities, news, and even the gossip of Kearny High School. The members of the staff deserve a great deal of recognition for their diligence and literary ability which were exemplified in each issue of K.H.S. News. Kearny was certainly fortunate in having such a fine news staff this year.

Leading the staff is Lynn Croghan, Editor-in-Chief; Cathy Duncan, News Editor; Sheila Hale, Feature Editor, and Daryl Horton, Sports Editor. The witty yet informative columns "Prying Eyes" by Sheila Hale and Julie Deane and "Colonel's Corn" by Linda Irvin were enjoyed by all. Mr. Peshel, Staff Advisor, helped the staff tremendously with the many techniques of journalism.

First row, left to right: Cathy Duncan, Lynn Croghan, Sheila Hale, Daryl Horton. **Second row:** Kathy Deep, Ron Kent, June Kabat, John Keith, Barbara Tucker, Mike Dowling. **Third row:** Gloria Cooper, Julie Deane, Shirley Sears, Georgia Lewis, Lester Christensen, Jan Long, Betty Holtzbauer, Mr. Peshel. **Fourth row:** Gilbert Adams, Linda Irvin, Carolyn Gangwisch, Donna McLaughlan, Kathy Mosley, Donna Qualin, Thelma Strickland, Stuart Rodgers.

Drama

Mr. Wyman has for the past two years been in charge of the Drama department. In this short time he has instilled a sense of pride for all those working with him in performances. Mr. Wyman came to Kearny with a broad background and range of experience in theater. This knowledge has helped our Drama department immensely. The performances look more polished, and the actors participating have learned the real meaning of the theater as a medium of entertainment. We would like to take this opportunity to express our gratitude and admiration to Mr. Wyman for a job "well-done."

The Drama department also has performed in assemblies, giving most students the opportunity to take some part in the department's presentations.

All students who have appeared or worked in a production have the opportunity to be a member of the Marquees, the school's Drama club, sponsored by Mr. Wyman.

Pictured at the bottom of the page are some scenes from "Quartet."

It is under the instruction of Mr. Garris.

STAGE CREW

The stage crew is in charge of the lights and special sound effects for the drama productions, choir programs, and assemblies. They also change sets and take care of the props and scenery. They decorate for the games, sell booster buttons and different ribbons for each game, and set up the organized cheering section. The club, sponsored by Miss Ward, is informally organized. The only requirements to participate are a white shirt, a booster button, a loud voice, and plenty of enthusiasm. Thanks to the energy and hard work of the officers, sponsor, and members, coupled with good support from the students, 1961-1962 has been their best year so far.

The lamp is the emblem of life membership in the California Scholarship Federation. Its gold symbolizes worth of character and its light symbolizes learning.

The California Scholarship Federation is a state-wide honorary society. The club at Kearny has 86 members or approximately 4% of the student body. The sponsor is Mr. Daniel Rufolo. Membership is based on the attainment of a 3.4 grade point average, excluding physical education.

The C.S.F.'s main project is the "adoption" of a Korean orphan. This is done by sending ten dollars a month to the Christian Children's Fund, Inc. The money for this is raised by sales and dues.

It also sponsors a tutoring service whereby students who excel in a subject give individual help to other students who need it. Other activities were the city-wide banquet and regional conference in Los Angeles.

C.S.F. members who remain in the club for four semesters, one in their senior year, become life members. This makes them exclusively eligible for a number of scholarships.

Life members for the first semester are Richard Elliott, Gail Grenolds, Ronald Horn, Glo Irwin, Becky Johnson, Camilla Johnson, Frances Kanlund, Chris Klumph, Steve Pazan, Carlos Richardson, Steve Rynearson, Walter Smith, Norma Ward, Tom Welch and David Yoon.

Dianas are announced at the end of their junior year so that they may usher at baccalaureate and commencement. This year they worked with KDK in preparing for the county-wide Girls' League Conference held at Kearny. They also had a hayride with the Key club and sponsored a tricycle race, the "Diana Drag," for all the school. The Dianas also serve at PTA, drama, and choir events.

A division of Kiwanis International, Kearny's Key Club helps to promote good citizenship and character for boys at Kearny. The sponsor is Mr. Robert Reed.

Many of the best athletes in the country wear Kearny K's on their maroon and white jackets. Coach Birt Slater sponsored the club.

Homecoming activities commenced with the announcement of Queen Mary and her attendants on Taylor Field. That evening at the final Western League game against Pt. Loma the royal court members were driven on to the field in convertibles and escorted to their places in the stands by R.O.T.C. officers. The half time performance honoring the "Old and the New" gave special tribute to the queen and her court.

Orchestra

This year the orchestra played for the annual Christmas program, competed in the San Diego County Music Festival and gave a spring concert in May. This dedicated group proved that Kearny excels in the music field as much as in the other fields. Our thanks go to this group for a job well done.

ROTC Patch

ROTC

The R.O.T.C. program was set up by an act of Congress which was passed in 1916. It came to Kearny High School in the school year of 1946-1947. Generally, the mission of the R.O.T.C. is to:

form good personal habits,
give basic military training and leadership,
develop appreciation of armed forces and their role in
national affairs.

This year the R.O.T.C. sponsored the Girls' Rifle Team, which was sponsored by the G.A.A. previously. In the city-wide meet in April they came out with the first place team trophy. Kearny, whose team of 148 members was the largest in the city, was said to be outstanding in the federal inspection.

Birt's Bandits

1961 closed with a bang for the football players. Birt Slater and his Bandits took the Western League Championship and placed second in San Diego County. A perfect league record was posted. There were only three defeats in the whole season. The prospects of continuing this excellent record next year are good. Our sincere thanks go to Coaches Birt Slater and Len Smorin. Congratulations!

Cross Country

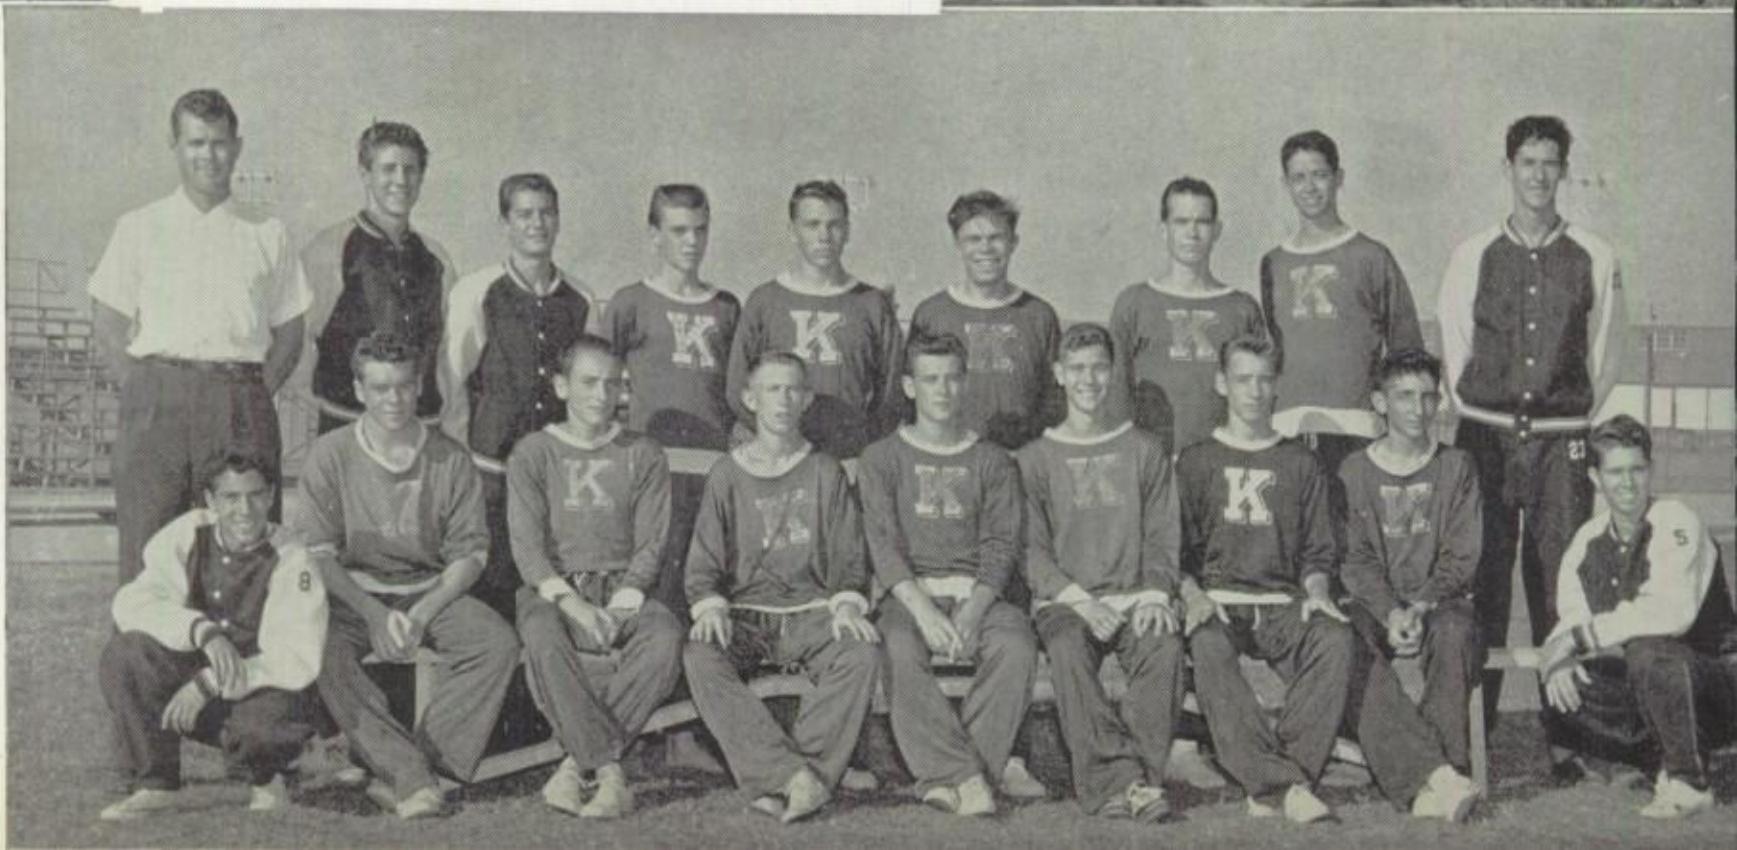

One and nine-tenths miles every time. The Cross Country squad of 1961 posted excellent results in competition, both league and non-league. Mr. Thomas Rice, coach, has done a fine job with our boys and their many talents. Next year may be good but not better than the squad of 1961.

Basketball

Diversification was the word for Kearny's Basketball team this year. Tall height and short height were the rule for 1961-1962. Mr. Poole, who worked with our team as coach, guided them to Fourth place in a particularly strong Western League. The closing quarters of the games with Pt. Loma and Clairemont provided high-points of interest to all who attended. Blisters and flying elbows provided the players with times to remember.

Wrestling

Sweating, running, and starvation diets characterized this year's wrestling team. Coach Lee Bogle, in his eleventh year as coach, with diligent endeavor, guided the mat men to Second Place in the Western League. The last match of the season with Pt. Loma was the thriller of the wrestling year, being won in the final moments of the match. Kearny will never forget the team of '61-'62.

Gymnastics

Welcome to the KOMET!

This is the first year gymnastics has appeared in the KOMET. We hope it will continue to appear in the annual in the future.

The chalk dust on the white uniforms is not noticeable but the performances of Kearny's gymnasts is. A solid schedule of competitive meets has given Coach Kravcik and the team hopes of success. Kearny is behind the Team 100% and wishes it the best.

Good sportsmanship, top quality athletes, and practice makes the "mitmen" a good bet for success. Coach Jack Taylor has furthered the knowledge of baseball in our students and in his position of coach deserves a great deal of credit. The prospects are good, the hopes are high—"Play ball!"

Track

Stop watches, liniment, and bandages were the order of the day during Track season. Coaches Tom Rice and Birt Slater watched over the fleet-footed Kearnyites and gave valuable advice and pointers when needed. The competitive atmosphere which prevailed throughout the season gave impetus to all and contributed to their outstanding performances. Kearny says "Thank you."
